## **WHAT**

What do you want to learn? What kind of tool do you need to succeed?

## **WHY**

Why did you choose this tool? How is it going to help you?

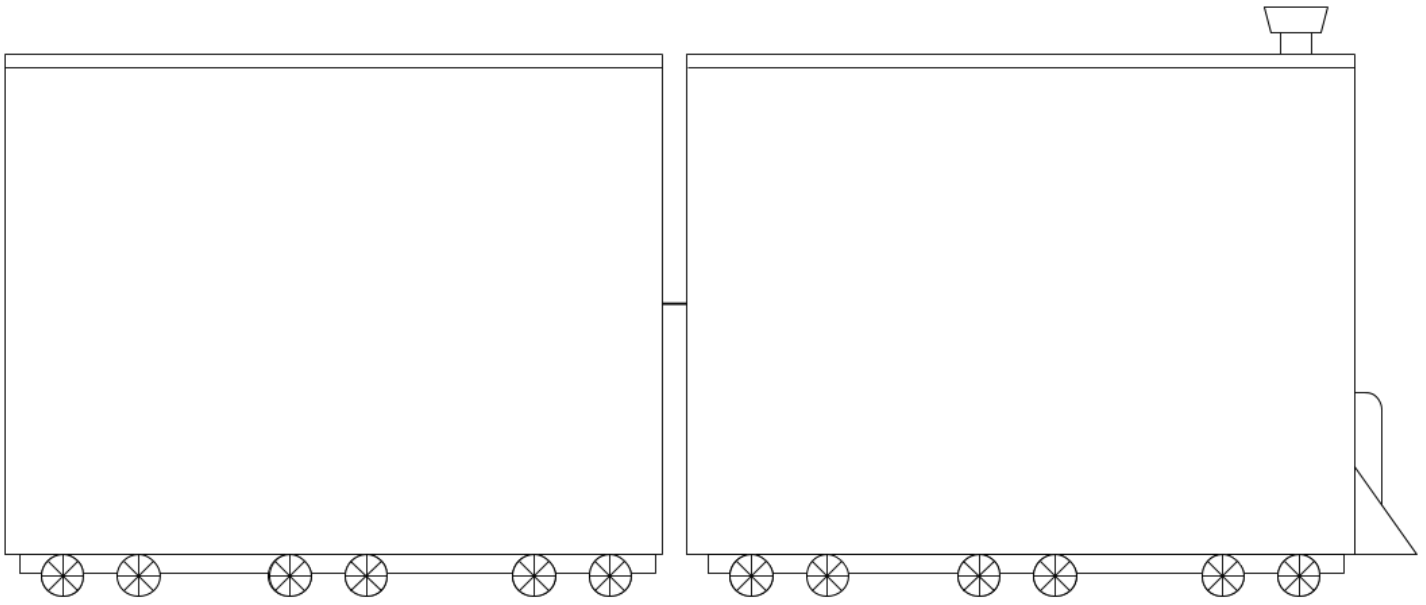

## **WHERE**

How is this going to fit into your work and/or life? How will you integrate this tool?

## **WHO**

Who or what is keeping you accountable? Are you learning alone or in a group? Who or what is your lifeline when you get stuck?
